MMK Transkit for the Tamiya Lotus...extremely rare € 120,-

OK that's it folks...please don't ask for more pics. it's all here.

shipping costs..

germany 7,-

EU 17,- (if you don't know if you're in the EU...google is your friend :))

world 48,-

will of course combine shipping. Guess you can buy as much as you want and it will fit all in the above costs,

sorry, minimum order is 25,- can't go to the post office for every single decal sheet...sorry !!

payment, cash on pickup, would love to see more of you in person Hürth/Cologne
Paypal only, Family&Friends or with security and the extra is on you

Italy...payment only Family&Friends...way too much trouble with italian post in the last years. Sorry but there is no option !!

no reservation or something. The one who pays first gets the items. Sorry can't make too many exceptions or otherwise it will turn into a chaos.
